

BROOKLANDS NURSING HOME

July 2023 Newsletter

Hello everyone
Hope you are all well

We started the month with straw painting and got some great effects

**We managed to raise enough money, to be able to get a path
constructed to the back garden**

**A very big thank you to Mr Jamie Willims (Fiona's partner) for giving the
project a lot of his time & expertise. He worked on it single handedly**

It was hard work, but we got there. We had a trial run with one of our residents!

We also held a small ceremony to inaugurate the path with cream teas to celebrate.

Barbeque 19th July

Thank you to everyone who came and made it a successful event. The weather was terrible in the morning but by lunchtime the

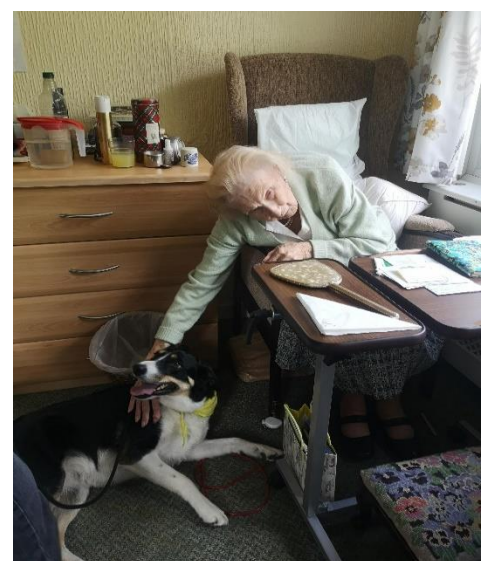

was shining

Amazingly a total of £250 was raised that day, the money will be used for equipment for our residents

All the staff did an amazing job

After the BBQ, we had a visit from a P.A.T dog called Didi
She loved all the fuss and attention from the residents

**We would like to thank each and everyone of you for your donations
The fundraising continues for our next project which is to purchase an
interactive touch table**

**If you are able to donate or encourage friends and family to donate,
please go to our go fund me page using the link below**

<https://gofund.me/8d6d3ca3>

**If you prefer to donate cash, Fiona is at the home Monday to Friday or she
can help you access the go fund me page**

**Once again thank you so much to everyone for helping us achieve our
targets**

We hope you keep safe and well
